Re: Dr. J. F. Robinson

There are two questions re: Dr. Robinson pending Consideration & the connected files are put up:

(1) Extension of his term.

Present period expires 15.8.37. Dr. Robinson has been addressed on 15.3.37 enquiring if he is willing to stay on for 2 years more on the existing terms. NO reply has been received so far (7 C.A in file below)

(2) Grant of Leave

He has asked for 7 months' leave from 25.6.37 to 25.1.38. Comptroller says that he will have at credit on 25.6.37, leave on average salary for 6 months & 4 days

As the leave ~~extends~~ owed beyond his present term, action on this question of leave has been deferred pending orders on file re: extension of term. An ad interim reply may perhaps be sent to him (Draft put up ~~in Cheque~~)

DEWAN'S OFFICE
15 APR. 1937
No. 1176

WESTLAKE,
MYSORE,
S. INDIA.

April 13, 1937.

My dear Sir Mirza:

4.K 43. In a letter from the General Secretary regarding leave it is stated I will be due six months the latter part of June, but no mention was made of adding a month in anticipated leave, which we mentioned in our conversation. May I count on seven months, please? And would it be possible for me to leave on the 19th evening, after greeting His Highness at Government House on his birthday? Dr. Subba Rao will be back a few days after that. The rumour is that he is going to relieve me. Is that to be the arrangement?

44. You may remember that when I came here first to look into this post, I had declined the offer, but we had a long talk the evening I was to return to Delhi and you persuaded me to accept, saying I would find I would be well done by. During this ten years there has been no increase in my salary, though the allowance all principals get was given me in my second term. I quixotically refused to take it two years before when you suggested my getting it and lost the advantage of that during that time — because my staff seemed to be so allowance mad & I thought to set a good example! I don't know whether you are aware the allowance was deducted when I was with H.H. last year, though

I understand that is not according to regulations. If not, would you kindly arrange that it be restored to me? And then I do not understand why the first five years of my service is not recognised by the Govt. me I a provident fund during that time. You had paid the part was pensionable. I was advised to take a provident fund in preference. Surely a pension & provident count from the first day one's service. I feel this is only a matter of fairness and would request you to kindly consider this matter favourably.

45. I was told there were no deductions permissable in income tax returns so made no claim for life assurance premia. I later learnt this were admitted as claims for deduction & when I put in claims for previous years last year, was only allowed that payment for the current year. Had I omitted to pay some due for preceding years, Govt. would have made me pay in retrospect. It is a poor rule which does not work both ways! Could not previous years' deductions be paid me as a special case? All these items mean much to me & not so much to Govt. We have been kept bled white with the education of the children and I only got out of debt a few years ago for an educational loan, so I have not saved a penny.

46. Also could free lighting be included with the free house during the next term, please. Our minimum need to be Rs.17 & we used to use Rs.9 of current. Now that I am alone & using practically no current, the bills are up to Rs.38. Something is wrong somewhere, for I have had five fuses over for what current has been actually consumed in the past few years. Every other I feel, I have paid four or

has come. It exerts its influence for a couple of days instead of a few hours as the other form does. It will mean that the patient will not need to have so much nor such frequent doses.

I trust you and your family are all well.

At the time of ~~the~~ fixing the terms of the Second period of 5 years, Govt. agreed to allow a contribution of Rs 200 p.m. "generously" in ~~view of~~ ~~his~~ consideration of the fact that no P.7. was given for the first term and it was at the same time specifically stated that it would have no retrospective effect. 7L.Q.O

He has been also permitted to subscribe his own quota at Rs ~~200~~ 313 per month on which Govt. is paying interest ~~at par~~ at favourable rates.

His present request is that he may be allowed P. 7. for the first 5 years.

58. The Dewan has minuted that Dr R. "cannot get any better terms during the extended period", and his order perhaps refers to his request about P. 7. also.

(iv) 60. He wants 7 months' leave on full average salary, against 6 months and 4 days (or 3 days if he avails himself of it from 19-6-37) at his credit. He wants the balance of the leave to be given as "anticipatory" leave. Dr Robinson's leave is not guided by the M-S.R. but by special terms of contract which entitles him to leave at $\frac{5}{22}$ of active service. Under the M-S.R. also, there is now no provision for grant of "anticipatory" leave. The request is one for special consideration and the Fin. Sec. may perhaps be also consulted about it. The Dewan has been pleased to minute that he would not mind giving this concession if Second Member agrees.

(v) 61. He says that his allowance was not admitted during the period of his deputation with His Highness last year. As some other office was given an allowance for doing his duties during his absence, the Comptroller might have disallowed the claim of Dr. Robertson. It is for orders whether the allowance may be

(vi) 62 Dr. Robinson also says that the Income-tax Dept. did not allow him rebate in respect of certain Insurance premium, as he made the claim years later. He wants that this should be allowed. Submitted to His Highness.

86) Dr. Robinson was appointed as Durbar Surgeon and Medical Officer in charge of the Krishnarajendra Hospital, Mysore, for a period of five years from 14th August 1927. The term was subsequently extended by another five years which would end in August. The question of his retention in service on the expiry of his present term has been under consideration for some time and with the informal approval of His Highness, an enquiry was made of Dr. Robinson as to whether he would be willing to stay on for a further period of two years on the existing terms. In his letter dated 30th April 1937 he has finally intimated his acceptance of the offer. With the concurrence of the Members of Council, I beg to recommend he may be granted extension of service for two years from 15th August 1937 on the existing terms.

2. 87) Dr. Robinson has also applied for the grant of 7 months' leave from 19th June 1937. According to the Comptroller's certificate, he will have at his credit on that date leave on average salary for about 6 months. Dr. Robinson has requested that in addition to the leave at his credit, he may be given anticipatory leave on full pay of about a month to make up seven months in all. The Members of Council and I are of opinion that he may, as a special case, be allowed the anticipatory leave asked for, subject to its recoupment from the leave to be earned by him later.

3. 88) During the absence of Dr. Robinson on leave, it is proposed to appoint Mr. D.S. Puttanna, Surgeon, to act as Medical Officer, Krishnarajendra Hospital and Principal, Medical College, Mysore, as on a previous occasion, and to allow Mr. Puttanna to draw during the period his grade pay as Surgeon, together with an allowance of Rs. 100/- per mensem as Medical Officer in charge of the Krishnarajendra Hospital, and a further allowance of Rs. 200/- per mensem for the duties of Principal and Professor, Medical College.

Dear Dr. Robinson,

I am desired to acknowledge the receipt of your letter dated the 13th instant to the address of the Dewan regarding your leave and other matters relating to the terms of your employment and say

~~I am to state~~ that, after a careful consideration of the ~~points mentioned by you~~ circumstances urged by you, Government regret ~~they cannot see their way~~ inability to allow you during the proposed period of extension of two years any better terms in respect of ~~your~~ salary, provident fund or other easements than those now enjoyed ~~by you~~. It is also not ~~possible~~ feasible to comply with ~~your~~ the request for exemption from payment of lighting charges on the residences as such charges ~~which~~ are invariably to be met by the occupants ~~themselves.~~

Government will ~~however~~ be glad to allow you as a very special case, the anticipatory leave ~~asked for~~ up to about a month required by you (so as to permit of your having 7 months' leave in all) subject to its recoupment later ~~on~~ from ~~the~~ leave that will be earned ~~by you~~ by active service ~~put in~~ after ~~your~~ return. ~~from leave.~~

As regards the University Allowance stated to have been withheld for the period of your absence on deputation with His Highness the Maharaja last year, I am to ~~state~~ say that the allowance is one payable by the University and as the officer who actually attended to the work during your absence was given ~~the~~ an allowance therefor, its payment to you also ~~does~~ not ~~appear to be~~ admissible.

The Commissioner of Income-tax is being

consulted in regard to your request for the grant of rebate in respect of the Life Insurance Premia paid by you in previous years and further action will be taken in the matter on receipt of his reply.

Government will be glad if you will kindly communicate your final acceptance of the extension of term for two years from 15th August 1937 so as to facilitate further action being taken in the matter. Yours sincerely,

Dr. J. F. Robinson,
Medical Officer & Durbar Surgeon,
